Dr. Kohkan Shamsi  
President AMAANA,  
New York

Dear Dr. Kohkan,

السلام عليكم

I am writing this to wish all the best to the members of AMAANA in these difficult times. I wish and pray for the safety and security of all the members of AMANA and their families.

Please convey my message to all concerned. It is an honour for us to know that many members of AMAANA are in frontline in fighting COVID-19 Pandemic and these includes Intensivist, Pulmonologists, Anesthesiologists, Emergency Physicians etc.

I am also thankful to AMAANA for the COVID collaboration in which the Physicians of JNMC & Hospital are also involved and there is continuous exchange of new information in that group.

Thanking you.

With best regards,
